About Computers

The Information Technology Department manages all computing resources and technology on campus. In order to assist you with preparing for your arrival, check out the computer specifications page at :

<http://www.lhup.edu/step/>

Here are a two of items to consider:

Every room has an Ethernet jack for residents to connect their computers to.

Students must provide their own Ethernet cable.

About Posters

Chances are, you will be hanging up pictures, posters, and other items on the walls of your residence hall room. Please be advised that certain items may damage walls, including:

Duct Tape

Scotch Tape

Electrical Tape

Adhesive Squares

Thumb Tacks

Nails

Damages to walls will be billed at the end of the year. Bring some paint safe adhesive (poster putty, Tesa tape, or Scotch Wall Saver foam tape.)

About Shipping

Packages/shipments sent to the University must arrive after you check-in to the residence hall.

With this in mind, be sure to indicate the shipping date to your shipper. Here is the address format to use:

What Should I Pack if I am living in the Suites?

Living in Fairview Suites means you bring everything a student living in a traditional hall does, and you might want to bring along with a few extra items, depending on what style suite you are living in. Here is what we think you might want to bring:

Bathroom Needs (Both Style Suites)

- Shower Curtain
(The University supplies a shower curtain rod, you supply the curtain.)
- Shower Curtain Hooks
- Toilet Paper
Residents of each suite are responsible for providing their own bath tissue, a small quantity will be available for purchase from the Fairview front desk.
- Cleaning Supplies
- Hand Towel for sink.
(You never know, you might have a guest want to dry their hands off.)

Living Area (Private Suite)

This area is unfurnished. You are welcome to bring a table and chairs or a small couch or futon for this area. The countertop that is in this area is designed for your refrigerator to fit underneath of it, and your TV to go on top of it. You could also put your microwave here and use it as the place for your late night snacks. You may also want a small area rug for this space, as it does have a tile floor.

Bedroom Area (Both Style Suites)

- Window Curtains
- Window Curtain Tension Rod
(The University does not provide a curtain rod, nor are you allowed to put holes in the wall to hang one. A tension rod is the only allowable window curtain rod)
- TV, each bedroom in the Private Suites has its own cable jack.
- Extra Long Sheets
(Only Fairview Suites uses extra long sheets. If you are interested in purchasing sheets from our partner, please follow the link to [Residence Halls linen program](#))

What Should I Pack if I am living in the Apartments?

Living in Campus Village means you bring everything a student living in a traditional hall does, and you have to furnish a living room and make your kitchen usable. Here is what we think you might want to bring:

Bathroom Needs (Both Style Apartments)

- Toilet Paper
- Cleaning Supplies
- Hand Towel for sink. (You never know, you might have a guest want to dry their hands off.)

Living Area (Traditional Apartment)

This area is unfurnished. There is a kitchen table and chair in the Kitchen area, but you are welcome to bring a small couch or futon for this area. A coffee table and entertainment center should round out your living room. The living room is carpeted, so a small vacuum is a good idea as well.

Bedroom Area (Both Style Apartments)

- Window Curtains

Kitchen (Traditional Apartment)

- Pots and Pans.
- Microwave
- Dishes
- Glasses
- Silverware
- Cooking Utensils
- Food
