ASSIGNMENT OF ANTITRUST CLAIMS

Vendor and Lock Haven University recognize that in actual economic practice, overcharges by vendor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by Lock Haven University. As part of the consideration for the award of this contract, and intending to be legally bound, vendor assigns to Lock Haven University all rights, titles and interests in and to any claims vendor now has or may hereafter acquire under state or federal antitrust laws relating to the goods or services which are the subject of this contract.

NODISCRIMINATION CLAUSE

During the term of this contract, vendor agrees as follows:

Vendor shall not discriminate against any employee, applicant for employment, independent vendor, or any other person because of race, color, religious creed, ancestry, national origin, age, sex, or handicap. Vendor shall take affirmative action to assure that applicants are employed, and that employees or agents are treated during employment, without regard to their race, color, religious creed, ancestry, national origin, age, sex or handicap. Such affirmative action shall include, but is not limited to employment upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation and selection for training. Vendor shall post in conspicuous places, available to employees, agents, applicants for employment, and other persons, any notice to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.

Vendor shall, in advertisements or requests for employment placed by it or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, ancestry, national origin, age, sex or handicap.

Vendor shall send each labor union or workers' representative with which it has a collective bargaining agreement or other contract or understanding, a notice advising said labor union or workers' representative of its commitment to this nondiscrimination clause. Similar notice shall be sent to every other source of recruitment regularly utilized by vendor.

It shall be no defense to a finding of noncompliance with this nondiscrimination clause that vendor had delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the vendor was not on notice of the third-party discrimination or made a good faith effort to correct it, such factors shall be considered in mitigation in determining appropriate sanctions.

Where the practices of a union or any training program or other source of recruitment will result in the exclusion of minority group persons, so that the vendor will be unable to meet its obligations under this nondiscrimination clause, the vendor shall then employ and fill vacancies through other nondiscriminatory employment procedures.

Vendor shall comply with all state and federal laws prohibiting discrimination in hiring or employment opportunities. In the event of vendor's noncompliance with the nondiscrimination clause of this contract or with any such laws, this contract may be terminated or suspended, in whole or in part, and vendor may be declared temporarily ineligible for further Lock Haven University contracts, and other sanctions may be imposed and remedies invoked.

Vendor shall furnish all necessary employment documents and records to and permit access to its books, records, and accounts by the contracting agency and the Office of Administration, Bureau of Affirmative Action, for purposes of investigation to ascertain compliance with the provisions of this clause. If vendor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the contracting agency or the Bureau of Affirmative Action.

Vendor shall actively recruit minority subcontractors or subcontractors with substantial minority representation among their employees.

Vendor shall include the provisions of this nondiscrimination clause in every subcontract so that such provisions will be binding upon each subcontractor.

Vendor obligations under this clause are limited to the vendor's facilities within Pennsylvania or, where the contract is for the purchase of goods manufactured outside of Pennsylvania, the facilities at which such goods are actually produced.
