INTEGRATION INSIGHTS FOR STUDENTS

A weekly series on all things integration

FOCUS ON: STUDENT NEEDS

Responding to your diverse needs as 21st century learners with relevant academic programs, proven modalities, and flexibility that supports a diverse learning community.

- A program array that will prepare you for careers of the future while maintaining efficient time to graduation.
- On all three campuses, enjoy on-campus housing, student clubs and organizations, athletics and a vibrant campus life.
- Design a university experience that works for you with dedicated support services on each campus.

FOCUS ON: CAREER PREPARATION

Equipping you with the skills and connections for an even greater degree of upward mobility.

- A wider variety of career and professional resources and experiential learning opportunities - including internships
- An even more expansive alumni network to provide guidance and support and an

employer network ready to recruit our graduates.

STAY TUNED FOR NEXT WEEK'S INTEGRATION INSIGHTS.
