Dear Dr. Fiorentino:

The Board of Directors of the Council for Accreditation of Counseling and Related Educational Programs (CACREP) met July 7-9, 2016, for the purpose of making accreditation decisions. A program housed in the Stephen Poorman College of Business, Information Systems, and Human Services at Lock Haven University was reviewed under the 2009 CACREP Standards. The Board made the following decision:

**Clinical Mental Health Counseling (M.S. degree)**

**On-line format**

*Accredited: Eight-Year Period through October 31, 2024*

The above accreditation decision was based on the Board's extensive review of the self-study documents, the visiting team's report, and the institution's response to the visiting team's report.

Programs receiving accreditation for an eight-year period deserve to be commended for the work completed throughout the accreditation process. This is indeed a worthy achievement. Congratulations! Please note that a certificate of accreditation will be enclosed with Dr. Neun's copy of this letter.

On behalf of the CACREP Board, I would like to extend my thanks to you and your administration for the support provided to this counseling program. Such support is considered vital to assuring continued quality in higher education programs. Once again, congratulations are extended to all of those involved in making this a successful accreditation review process.

Sincerely,

  
Carol L. Bobby, Ph.D.  
President and CEO
