Dear Dr. Fiorentino:

This is to report that the Council on Accreditation of Parks, Recreation, Tourism, and Related Professions (COAPRT), at its meeting on October 4 in St. Louis, Missouri approved continuing accreditation of the Lock Haven University Program until 2023.

The Council approved the following commendation:

- Faculty are highly regarded across campus for engagement and service on University and College including the initiation of a first semester experience (Standard 4.07)
- Students have a high regard for faculty advising and assistance with career decision making (Standards 5.03)

Your institution's accreditation by the COAPRT is valid until the program's next review in the fall of 2023. Prior to the fall of 2023 the program will submit an updated self-study for review by Council. If deemed in accordance with COAPRT Accreditation Standards, the program can expect an accreditation visit between the months of September 2022 and February 2023.

The Council is pleased to maintain Lock Haven University's Recreation Management Program on the list of accredited programs.

Congratulations!

Sincerely,

Jennifer Stromberg  
Awards and Accreditation Manager
