

Academic Affairs Leadership Council Agenda

October 18, 2018

12:30 - 2:00 p.m.

PUB#2

1. Functional Cost Tool – Amy Dicello
2. Bookstore update – Tyana Lange
 - a. OER—Donna Wilson
3. Academic / Enrollment Planning
 - a. **Marketing existing Associates Degrees more aggressively in Lock Haven** (AAS Healthcare Professions, AS Business Administration (two tracks), AA Criminal Justice); all but the AAS are transfer degrees, meaning they prepare students to enter baccalaureate programs, not terminal/career ready degrees. AA Sustainability Studies may need reorganized as it has not attracted students.
 - b. **Moving new degrees forward quickly at all levels** for which there is evidence of a **supply gap**
 - c. **Marketing existing degrees** more aggressively that are both **among the top ten** awarded in our region and also ones in which **we could/should increase our market share** (this should include converting some existing tracks to degree programs to increase visibility/marketability)
 - d. **Nursing**
 - i. **Expanding ASN to Lock Haven** – pilot ten advanced standing from UPMC in spring 2019 and a new limited cohort in fall 2019
 - ii. **Expanding Nursing** curriculum to include **graduate degrees**
 - iii. Proposal to form a **School of Nursing** to help administer complex program on two campuses
4. Faculty line allocation
5. Celebration of Scholarship
6. Location of commencement?
7. Items from the floor?
