STEP 6: Click the down arrow (▼) next to “Purchase Flex Dollars” and click the “Add Points” button.
STEP 7: Change “Point Type” to “Flex Dollars”, which is the only choice in the dropdown menu.

STEP 8: In the "Number of Points" field, type in the dollar amount of FLEX you would like to purchase and click the Add button.

Please note, $25.00 is the minimum amount of FLEX that must be purchased at any given time.

The cost of the purchase then will be applied to your student account.
