Notes:	
• Core Program #1 is identified as the student's primary program and includes at least 3 advanced courses.	
• Core Program #2 is identified as another area of interest for the student and includes a least 2 advanced courses.	
• Each Core Program is identified as developing the students' primary transitional career & life goals. Core Programs are based on a match between the student's goals/interests and current minors/modified majors offered to LHU students.	
• With the approval of the Program Director and the student's advisor, the individualized Core Programs may be modified to include approved internships, independent studies, or individualized instructions. The Core Programs may also comprise of modified existing LHU majors. This is a transitional person-centered course of study. Programs are designed in collaboration with the student, family, LEA, Supports Coordinator, and program staff.	
• This track sheet is provided as a guide and all listed courses are "recommended". Students will consult regularly with their faculty advisor based on their person-centered plan goals. Certificate credit hours can range from 96-120 based on individualized student need. A capstone project will be completed during the final semester.
