

Math Placement Assessment (MPA)

Here are the instructions for taking the LHU Math Placement Assessment (MPA). Please plan approximately two hours for the exam. Time will depend on your math skills. We ask that you take this exam yourself, as we want to place you in the math course that best suits your skill level at this time, making the most from your experience here at LHU.

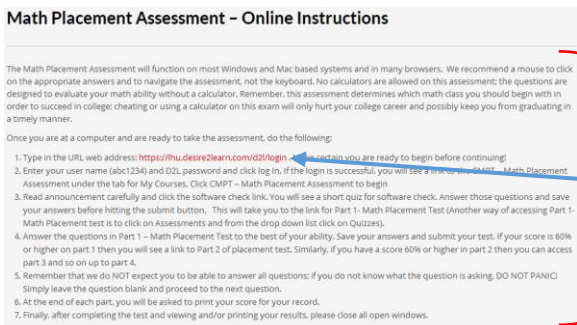

Open your web browser to the Mathematics Homepage (http://www.lhup.edu/colleges/natural_behavioral_health/mathematics/math.html) or (www.lhup.edu/math)

Click **Math Placement Assessment**

We recommend that you read through the Instructions for taking the exam.

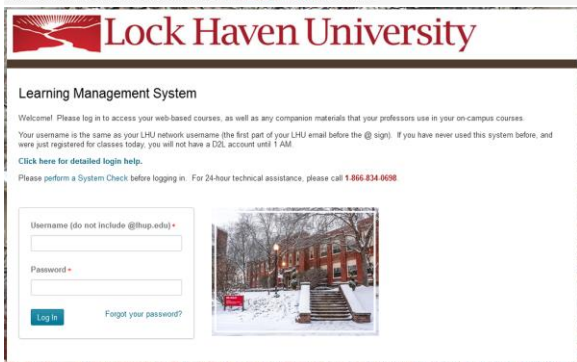

Click on Link: **"Math Placement Test – Online Instructions"**

Read through ALL the Online Instructions before...

...clicking the URL that takes you to the D2L login page.

If you have any difficulties, please contact the Math Chair (mathchair@lhup.edu) for assistance.

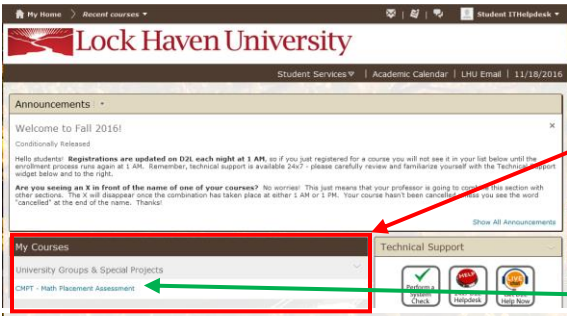

NOTE: If you have logged into your LHU D2L account previously, please login with your D2L credentials

If not...

Enter your LHU D2L username and password*

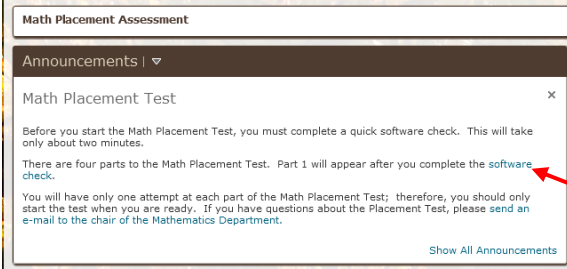

- Username (abc1234 - same as the first part of your LHU email)
- temp!x00 (where x=middle initial and 00=last 2 digits of your social security number)(this password Note: you may be asked to enter a new password. Your D2L password does not expire throughout the semester.)
- Click **Log In**

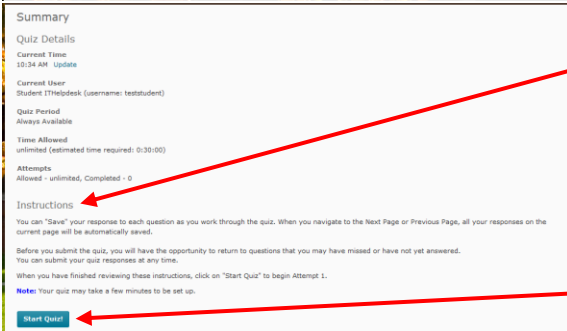

If you are eligible to take the Math Placement Assessment you will see it under:
My Courses
CMPT – Math Placement Assessment

Click **CMPT – Math Placement Assessment**

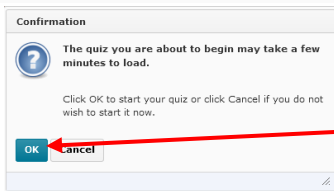

Before starting the MPA, please complete the software check. The software check will determine if your computer can display fractions correctly. This is vital for certain areas of the assessment.
